Notes on using the Fairway Placement Test

The Fairway Placement Test is designed to help allocate students to the appropriate course level.

Ideally, the results of this written test should be supported by impressions obtained from a brief talk with the student in the target language. His or her learning background should also be taken into consideration.

Test Evaluation

A maximum of 60 points can be scored in the test. Each task is of equal weighting and is thus awarded 1 point. If a single part of a task is answered incorrectly, the score for the complete task is 0. In this way some tasks are more challenging than others.

Score:	Suggested course level:
1 – 10 points	First half of Fairway Book 1
11 – 20 points	Second half of Fairway Book 1
21 – 30 points	First half of Fairway Book 2
31 – 40 points	Second half of Fairway Book 2
41 – 50 points	First half of Fairway Book 3
51 – 60 points	Second half of Fairway Book 3
